**Subject:** San Bernardino Mountain Communities

Dear Colleagues,

As you are probably aware, several of our students, faculty and staff have been severely impacted by the recent snowstorms and road closures in the San Bernardino mountain communities. Yesterday, San Bernardino County officials declared a local emergency that will elevate the state's response to this extreme weather, which has left many individuals trapped at home. Additionally, weather reports indicate there may be several more feet of additional snow over the next few days.

Please keep this interruption in mind and plan for needed accommodations. We want to ensure we all have a safe and successful semester.

Sincerely,

Rafik

A. Rafik Mohamed, Ph.D.  
Provost & Vice President for Academic Affairs
